

## **CORD BLOOD PRESERVATION**

### **Alpha Cord**

Alpha Cord has established the nation's first network of cord blood banks. They carefully screen and select laboratories which have a proven history of quality and dedicated service. This allows Alpha Cord to offer you the most trusted names in cord blood preservation at a significant savings. For more information about the importance of cord blood preservation for your adopted child, visit [www.alphacord.com](http://www.alphacord.com).
